

It's All Dog Fun!

JUMP START - COURSE OUTLINE

Week 1 – cues, position, “Over”

Learn when and how to use cues including timing. Learn about owner and dog position to get the best out of the jump, including working dog on both sides. Practice jumping!

Week 2 – “Over” exercises

Have a go at some different jump set-ups using the “Over” cue

Week 3 – “Right” and “Left” exercises

Learn “right” and “left” cues and have a go at some different jump set-ups using these cues.

Week 4 – Dog/owner position, read and run course

Learn how to read a course layout, including owner and dog position. Run the course!

Week 5 – Practice

Have a go at lots of different course layouts, putting all the above into practice. Perfect the cues and positioning.

Week 6 – Tunnel Vision

Some tunnel fun! Have a go at some course layouts with tunnel action 😊

Week 7 – Stay Control exercises

Have a go at course layouts to test the dogs “stay” control

Week 8 – Graduation Day!

Successfully complete the graduation day course (layout will be provided ahead of the day)
